The strength of Toledo's future depends on our ability to develop new skills around inclusion and equity, social determinants and health disparities. Together we have the skills to talk about the realities of race but we also possess the ability to develop our community's solutions. To answer the call, we are hosting a breakfast with Community Leaders to examine institutional and structural racism in 2017. National and local experts will share pertinent information specific to our community.

KEYNOTE SPEAKER:

CANDI CASTLEBERRY SINGLETON, FOUNDER AND CEO DIGNITY & RESPECT, INC.
Dignity & Respect Inc. is an organization dedicated to making the world a better place for ALL to live—with ALL of our differences.
