MENTAL HEALTH
— ADVANCING SERVICES —

Mental health is a *top three gap* in all communities ProMedica serves

- ✿ 1 in 5 adults suffers from some form of *mental illness*
- ✿ 2/3 of people with a *diagnosable* mental illness never seek professional help
- ✿ 50% of individuals with a mental illness are also *affected* by substance abuse.

Together we can bring *positive change*

- ✿ It's time to erase the stigma and *embrace the care*
- ✿ It's time to *unmask* mental health in our communities
