Take a Walk Through History on the Actual Battlefield.

Meet and speak with participants in the Battle of Fallen Timbers as you walk the trail.

Returning from the year 1794, generals, chiefs, soldiers, warriors, and frontier men and women relate their personal experiences of that fateful day.

Learn why this battle, though often forgotten, was a major turning point in the development of our United States of America.

Characters will be appearing in period correct attire and stationed along the 1.4 mile trail.
