

*We've spent 90  
years building  
careers and  
changing lives.*

## Now we're looking for the evidence.

As the Stautzenberger College Maumee campus prepares to celebrate its 90th anniversary, campus officials are seeking help from the community to help commemorate the school.

Stautzenberger alumni, faculty and staff members are being asked to gather and share old photos, stories, ads, study materials and other documents from the school's past. Materials will be displayed at an anniversary celebration — which will include a picnic, live music and community activities — then returned to the owner.

Memorabilia can be shared a few ways:

- Drop off items at the admissions office (they will be returned),  
1796 Indian Wood Circle, Maumee
- Post images and stories on our Facebook page:  
[facebook.com/StautzenbergerCollege](https://www.facebook.com/StautzenbergerCollege)
- Email images and recollections to Director of Admissions  
Amanda Boyd, [alboyd@stautzenberger.com](mailto:alboyd@stautzenberger.com)

Thank you for helping us commemorate Stautzenberger College and the positive impact it has had on our community!
