Overview:

Vision Design Group, Inc. has provided Professional Engineering services since 1998. Vision is located in Toledo, Ohio and also holds an office in Akron, Ohio. As a competitive, upstanding multi-discipline professional engineering consulting firm, Vision is able to handle projects of all sizes as either prime or sub-consultant. In addition to mainstream projects, our status and certification as an official Minority Business Enterprise gives us the opportunity to partner with other firms and assist with fulfilling project requirements. For Vision, and for our customers, this results in a win-win situation: building even stronger business-to-business relationships to ensure highly-positive customer experience and outcomes.
