

# Corporate Profile

## Overview

Rudolph/Libbe Inc. is a national contractor headquartered near Toledo, Ohio with offices near Cleveland, Columbus and Detroit. Founded in March of 1955, Rudolph/Libbe has grown steadily, becoming one of the largest providers of construction services in the nation. As evidence of our capabilities, we are consistently ranked by the Engineering News Record (ENR) as one of the country's "Top 400 Contractors."

### RANGE OF SERVICES

Rudolph/Libbe offers a wide variety of services that can be tailored to meet the needs of any client or project. These services include, but are not limited to:

- General construction
- Building systems
  - Pre-engineered
  - Tilt-up concrete
  - Pre-cast concrete
- Maintenance & modification
- Facility management
- Program management
- Project consulting

### GEOGRAPHIC FOCUS

Rudolph/Libbe Inc. primarily serves the northern Ohio and southeastern Michigan markets. However, our strong relationships with numerous repeat national clients has provided us with the opportunity to work outside of our primary markets. We've also teamed with other best-in-class companies from across the nation to augment our resources, and improve our ability to work anywhere in the continental United States.

### RANGE OF PROJECT VALUES

Rudolph/Libbe has the capabilities and resources to construct multiple, simultaneous projects valued at more than \$100 million dollars each. We also complete more than 500 projects on an annual basis valued at under \$100,000 through our Special Accounts Group.

### FINANCIAL STABILITY

- Credit line of \$15 million dollars
- Aggregate bonding capacity in excess of \$100 million dollars

### CONTRACTUAL METHODS

Numerous contractual methods are available based on the project size, type, location, and individual client needs. These methods include, but are not limited to:

- Firm Lump Sum
- Guaranteed Maximum Price
- Cost Plus a Fee
- Service Agreements
- Build-to-Suit / Lease-Back
